This will need some discussion. From the way it was portrayed to PSB was roving convoys doing it. If it's one offs that's a traffic only initiative.

As I may have said yesterday once or twice....we need Intel.

Deputy. I met with the POU advisors all afternoon and there is a recalibration we have to do. I am recommending we have meeting with you Deputy Bell and the Chief to discuss further. Recommendation is we focus on the neighbourhood issues to reduce the impact on the communities.

Hello Gents,

The boss is wondering if we can book time with you tomorrow to get your POU plan.

Is that a possibility, if so, can you give me a window of time that would work for you.

Michel, I know you are in NCRCC, but wanted to keep you in the loop.

Trish
